

2011-2012 Ski & Board Group Requirements

1. Reservations must be made at least one week in advance
2. You must have at least 20 skiers to get the group rate
3. You must fax, mail, e-mail, or drop off a list of everyone in your group that will need rentals. Include height, weight, shoe size and skiing ability. We need this information at least 24 hours before arrival (a rental log form can be downloaded from our website @ snowsnake.net).
4. There must be an adult supervisor that will be responsible for collecting all the money for tickets and rentals. This advisor is the only person in the group that needs to check in at the front desk
5. The adult supervisor must distribute and collect signed rental and liability release forms (available on our website). Forms must be signed by parents or guardians of minors renting equipment.
6. Groups must all arrive at the same time. This is very important in order for us to stay organized. Therefore, you must get rentals as a group.
